About our Community

Woodbrooke Villas is one of the Northland's most popular new communities — Phase I sold out in record time and Woodbrooke Estates has also enjoyed the same popularity with only 2 homesites remaining! We think it is not only our beautiful and "livable" ranch plans but it is the "sense of community" and friendly neighbors that have made Woodbrooke so special. And, of course, LOCATION, LOCATION, LOCATION!

Woodbrooke is a close one mile east on NE 72nd St from HyVee and Wal-Mart and just minutes away from shopping centers, restaurants and movie theaters.

Woodbrooke Homes, LLC. Is the exclusive builder in our community.
